Sir:

In response to the Office Action dated April 9, 2003, please amend the above-identified application as follows:

Claims 19, 20 and 21 have been added as follows:

✓19. The method of claim 1, wherein the validation database transmits data to the universal session manager of the host service provider indicating which services the user is enrolled. ✓

DI 20. The method of claim 1, wherein the host service provider receiving the single login from the user is performed over a network. ✓

✓21. The system of claim 7, wherein the validation database transmits data to the universal session manager of the host service provider indicating which services the user is enrolled. ✓
